【解答例】

Before my final year in high school, during summer vacation, one of my mother's old friends came to eat dinner with our family. She told us about her experiences in Australia, where she had worked for a number of years. I was so impressed by her stories that I decided to study English in college and become as fluent in the language as she is. Because of her, I began to study English with more energy and focus than I had done before. (83 words)
